We realize this may or may not be a comprehensive list—but the need is great and there is much suffering and destitution in some of the places we have been. One person can only do so much, *or very little*. But when the body of Christ gets together with a heart for missions it enables them to see the needs of people in third world countries. When Christians experience the heart throb of Jesus Christ which calls us to the Great Commission it enables us to be powered by the Holy Spirit of God for the common good of those in need through the ministry and unity of the body of Christ (Matthew 28:18-20).

LAMB, Inc is just a small part of the many ministries doing what it can to help a hurting people by providing humanitarian care for a people in need. This gives us great joy knowing that there are people in this world who care for the lost as we do. Together we can make a difference to help alleviate suffering in some of these third world countries. Approximately 80% of the people are extremely poor and in desperate need. There is a real need for them to know that they are loved by GOD.

Any financial gift for the support of helping LAMB make a difference also makes you a partner with us. Because when it is all said and done, its not about us—its about God and what He has entrusted to us: “... *when you have given to the least of these...my children...you have given unto Me...*” Matthew 25:40ff
